

Dr Parupally Anjaneyulu

Sr. Research Associate
CESS, Hyderabad, Telangana State
Email: dranjaneyulu.cess@gmail.com
Mobile: 9440610409

Brief Profile

Parupally Anjaneyulu is a Senior Research Associate at Division for Studies in Social Inclusion (DSS) of CESS. He joined as a Research Assistant in 2013. He received PhD in Geography from Osmania University in 2015. He started his career as a **GIS Engineer** in 2007 with Genesis International, Bangalore and later joined Infotech Enterprises (Cyient) in Hyderabad where he worked for more than **six years** on national and international projects related to infrastructure, economic and social development. His research tenure at CESS began as a Research Assistant in the Millennium Development Goals (MDG) project in 2013 and he moved on to become a Research Associate at Division for Child Studies (DCS) where he was involved in a range of assignments related to **Water and Sanitation, Child Rights and Child Protection**. As part of the team at Division for Studies in Social Inclusion he has been working on research studies related to marginalised communities, livelihoods, social inclusion, and migration. He worked on **ten major projects at CESS** on the various themes. Additionally, he is a specialist in developing Geo Maps for the Centre's research activities. He has demonstrated professional skills and academic competencies in GIS applications, data management, field research, report writing and other research related activities. He has 15 publications in national journals in addition to being a co-author for several research reports published by CESS and UNICEF. He is a regular contributor to **text books** published by **Telugu Academy and SCERT (Maps)**.

Research Interest

His main areas of interest include social inclusion, water and sanitation, regional and social disparities, urban studies, and GIS.
